# CLARIFI UNDER SINK WATER FILTRATION SYSTEMS

**AVAILABLE WINTER 2025** 

The Delta® Clarifi™ High Flow High Capacity and Two-Stage Advanced Under Sink Water Filtration Systems are tested and certified by the IAPMO R&T Lab to improve your in-home water quality. Designed for reliable, easy-to-use in-home filtration, the digital display monitors and reports filter and battery life along with sound alerts. Filter changes are quick and easy with cartridges that install with a simple twist and lock mechanism and don't require water to be shut off.

#### 1-stage:

- Certified by IAPMO R&T Lab against NSF standards 372, 42 and 401.
- Reduces chlorine, taste, odor and microplastics.
- Can be installed with the main kitchen faucet and does not require a secondary beverage faucet.

#### 2-stage:

- Advanced 2 stage drinking water filtration certified by IAPMO R&T Lab against NSF standards 372, 42, 53 and 401.
- Reduces 72 contaminants including lead, PFOA/PFOS, chlorine, chloramine and cyst.
- Pairs with Delta® Beverage Faucets, available in a variety of styles and finishes.

### SHOWERSENSE **DIGITAL SHOWER**

**AVAILABLE FALL 2025** 

The Delta® ShowerSense™ Digital Shower is the shower as it should be—smart, easy to use, and customizable. In other words, a shower built specifically for you.

With customizable presets, precise temperature and flow control, built-in Wi-Fi, Bluetooth to steam music, and voice-activated technology when paired with a virtual assistant, the Delta® ShowerSense™ Digital Shower has all the features necessary to create a shower experience customized to fit your needs. Plus, use the DFC@Home™ app to craft the ideal settings with up to twelve shower presets.

- ShowerSense<sup>™</sup> Digital Thermostatic with an option of a 2, 3, or 4-Port Valve dynamically compensates for changes in temperature to maintain a consistent temperature within  $\pm 3.6$ °F ( $\pm 2$ °C) and allows for installation of multiple shower components or set of body sprays.
- Built in Wi-Fi with full connectivity to the DFC@Home<sup>™</sup> app, and other Bluetoothenabled devices.
- Three user profiles allow you to customize and personalize up to four presets per profile. Presets control temperature, flow and audio.
- Optional connection to the SteamScape<sup>™</sup> Deluxe System for steam shower capabilities.

### **PIVOTPRO 3-IN-1 COMBINATION SHOWER**

**AVAILABLE FALL 2025** 

The Delta® PivotPro™ 3-in-1 Shower features a 7-inch raincan shower head that pivots 360 degrees to provide flexibility and comfort for everyone providing expanded height options and showering preferences. The additional docking mount allows for a customizable shower set-up and invites users to create their own, personalized experiences. An integrated, 3-way diverter allows use of the overhead shower and the SureDock™ Magnetic Hand Shower together or separately, offering options that meet multiple needs.

- Combination increases shower height Includes H<sub>2</sub>OKinetic® Technology for by 8.5-inches, and pivoting raincan increases shower height by 3-inches.
- 7-spray settings including ProClean™ for 2x faster cleaning than standard sprays.
- an additional PowerDrench® spray that feels like more water and more pressure, with more coverage.

## LINEAR SHOWER DRAINS

**AVAILABLE SPRING 2025** 

Delta® Linear Drains allow you to customize your bathroom appearance and functionality with a seamless aesthetic and quality performance. By incorporating convenience and design, these adjustable drains bring personalized height modifications to fit your needs. In addition to a sleek, finish-matched stainless face, Delta Linear Drains can be installed to match tile, marble, and natural stone for a cohesive, detail-oriented design.

- Height-adjustable feet for custom and level rough installation.
- Adjustable tile frame to match floor thickness.
- Provides secondary water drainage through flexible sealing membrane.
- Easy, precise and fast in-floor installation or against-the-wall installation.

# TOUCH<sub>2</sub>O° WITH TOUCHLESS TECHNOLOGY KITCHEN EXPANSION

**AVAILABLE SPRING 2025** 

We've expanded the styles available for Touch<sub>2</sub>O® faucets with Touchless Technology make multi-tasking in the kitchen easy: simply place your hand near the faucet, tap the faucet surface, or use standard handle activation to start and stop the flow of water.

# BRODERICK AND TRINSIC KITCHEN

#### **FINISH EXPANSION**

**AVAILABLE SPRING 2025** 

The Broderick® and Trinsic® Kitchen faucets put control in the hands of the user with the flexible, spring-design undocking spout, which can be easily disconnected then magnetically re-docked for free range of motion. We've expanded the range of available finishes to include Champagne Bronze™ and Matte Black.

Broderick® Pull-Down Spring Faucet

Trinsic® Pull-Down Spring Faucet

# RENALDI KITCHEN EXPANSION

**AVAILABLE WINTER 2025** 

The Renaldi™ Collection revives traditional style while still looking timeless. The spring pull-down provides ultimate flexibility, making it easy to turn, bend, and stretch your pull-down hose with the higharc, gooseneck design that swivels 360 degrees.

# MATTE BLACK + CHAMPAGNE BRONZE

#### **FINISH EXPANSION**

**AVAILABLE WINTER 2025** 

We've expanded the range of available finishes for Monrovia® and Stryke® Kitchen faucets to include the popular split finish of Matte Black + Champagne Bronze™.
